The person named below may act as my authorized representative for obtaining a Restricted Material Permit or an Operator Identification Number for the purchase and use of pesticides on my property in Tuolumne County. I understand that this authorization does not relieve me from liability for violations of pesticide laws or regulations. This authorization shall remain in effect until **December 31, 2015** or until I revoke it in writing to the Tuolumne County Agricultural Commissioner. This is in accordance with the California Code of Regulations; Title 3 Food and Agriculture; Division 6 Pesticides and Pest Control Operations, Sections 6420 and 6622(b).

6420. Permit Requirements. (a) Permits for agricultural use of a restricted material shall be issued in the name of the operator of the property to be treated. The permittee or, when allowed by the commissioner, the permittee's authorized representative or licensed agricultural pest control adviser, shall sign the permit. The authorized representative or licensed agricultural pest control adviser shall provide the commissioner with written documentation from the permittee to act on his/her behalf. (b) Permits for nonagricultural use of a restricted material may be issued in the name of the operator of the property to be treated or a pest control business. A permit issued to the operator of the property shall be signed by either the permittee or, when allowed by the commissioner, the permittee's authorized representative. The authorized representative shall provide the commissioner with written documentation from the permittee to act on his or her behalf. A permit issued to the pest control business shall be signed by the owner or a qualified applicator licensee or qualified applicator certificate holder responsible to supervise the operations of the pest control business. (c) The permittee shall be responsible for compliance with all permit conditions.

6622. Operator Identification Numbers. (b) This subsection applies to the production of an agricultural commodity. Prior to the purchase and use of pesticide(s) for the production of an agricultural commodity, the operator of the property (or the operator's authorized representative) shall obtain an operator identification number from the commissioner of each county where pest control work will be performed. The operator shall provide each pest control business applying pesticides to such property with his or her operator identification number.
